I met Mr. M, as I call him, outside of the US/TUNISIAN Embassy. I gave him my business card that's why I have them. Before long we were besties - half a globe apart.

He first was part of "Bear Lodge" with his lovely cat as characters.

Then together we made Melka part of the lineup of books, "The Taffy in Tunisia". After seeing all his lovely pictures. I asked him if he would be interested in doing a "A Bird's Eye View."

He had so much enthusiasm that he took away the title of Premier edition away from Vern Greunke.

That books is coming in the future.

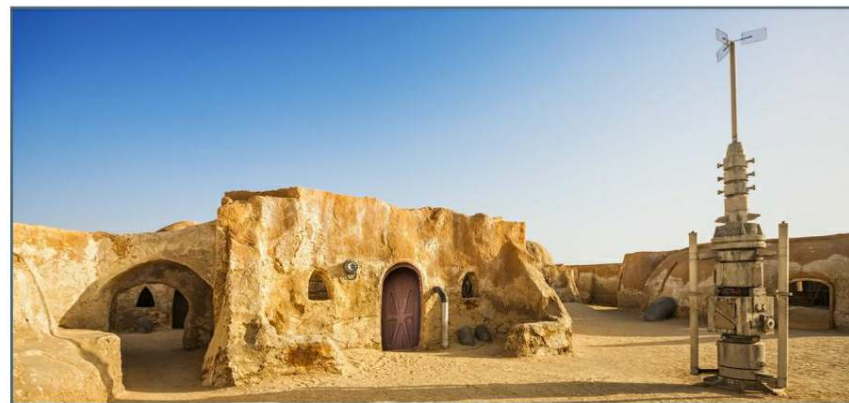

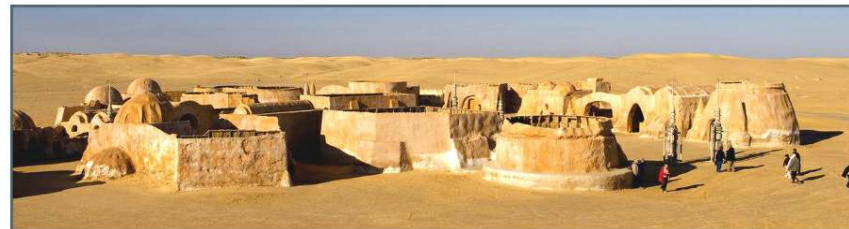

We can not replace the enthusiasm, friendship and beautiful smile of he brings to my world and to arp-books.org.
